1. Framework Agreement on Closer Economic Partnership  
between The Government of The Kingdom of Thailand  
and The Government of The Republic of Peru

**FRAMEWORK AGREEMENT ON CLOSER ECONOMIC PARTNERSHIP  
BETWEEN THE GOVERNMENT OF THE KINGDOM OF THAILAND  
AND THE GOVERNMENT OF THE REPUBLIC OF PERU**

**PREAMBLE**

The Government of the Kingdom of Thailand and the Government of the Republic of Peru (individually a "Party" and collectively the "Parties"):

**Desiring** to strengthen further the existing bonds of friendship and to develop a closer economic partnership between the Republic of Peru and the Kingdom of Thailand;

**Desiring** to advance trade and investment through reduced trade and investment barriers and enhanced transportation;

**Stressing** that the liberalization of trade and investment promotes economic growth and development;

**Reaffirming** their membership in and strong support for the World Trade Organization (WTO) and the Asia Pacific Economic Cooperation Forum (APEC); and

**Recognizing** APEC's contribution to trade and investment liberalization and facilitation and to economic and technical cooperation;

To this end, the Parties agree as follows:

**ARTICLE 1  
Objectives**

The Parties shall endeavor to:

- a) progressively liberalize and promote trade in goods and services as well as investment between the two countries;
- b) facilitate the movement of goods, services, and investment between the territories of the two countries; and
- c) strengthen and enhance economic partnership between the two countries.

**ARTICLE 2  
Trade in Goods**

1. Each Party shall gradually reduce or eliminate its customs duties on goods originating from the other Party by 2015, in a manner consistent with Article XXIV of the General Agreement on Tariffs and Trade (GATT).
2. Each Party shall minimize the non-tariff barriers to trade with the other Party.

### **ARTICLE 3**

#### **Trade in Services**

With a view to expanding trade in services on a mutually advantageous basis, each Party shall progressively liberalize trade in services between them by giving priority to eliminating barriers and promoting trade in sectors such as tourism, health, construction and related engineering services and transportation

### **ARTICLE 4**

#### **Investment**

1. The Parties agree to promote investment through joint ventures, joint investments or any other form of investment, and to facilitate investment through the improvement of transparency on investment rules and regulations and the creation of favorable conditions for investors of the Parties, and investment promotion activities in the territory of the other Party.
2. This Article shall be construed in accordance with the Agreement between the Parties for the Promotion and Protection of Investments signed on the 15 November 1991.

### **ARTICLE 5**

#### **Other Areas Related to Trade**

The Parties agree to develop their collaboration to areas, including, but not limited to, tourism and transportation.

### **ARTICLE 6**

#### **Timeframes**

1. For trade in goods, the negotiations on tariff reduction or elimination and other matters as set out in Article 2 of this Framework Agreement, shall commence as soon as possible, but not later than January 2004, and be concluded by 2005 in order to establish the Peru-Thailand Free Trade Area covering trade in goods by 2015.
2. For trade in services and investments, the negotiations shall commence as soon as possible but no later than January 2004, and be concluded by 2005.
3. For other areas related to trade under Article 5 of this Framework Agreement, the Parties shall continue to build upon existing economic programs, develop new programs, and conclude agreements. The agreements shall include timeframes for the implementation of the commitments therein.

### **ARTICLE 7**

#### **Transparency**

1. Each Party will ensure that its laws, regulations and basic economic data are made available, for example via the Internet, in such a manner as to enable the other Party to become acquainted with them.

2. Upon request from the other Party, a Party will endeavor to promptly provide information and respond to questions pertaining to any actual or proposed measure referred to in paragraph 1.

## **ARTICLE 8**

### **General Exceptions**

Nothing in this Agreement shall prevent any Party from taking and adopting measures for the protection of its national security or the protection of articles of artistic, historic and archaeological value, or such other measures which it deems necessary for the protection of public morals, or for the protection of human, animal or plant life and health, subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination between the Parties where the same conditions prevail, or a disguised restriction on trade within the Peru-Thailand Free Trade Area.

## **ARTICLE 9**

### **Institutional Arrangements for the Negotiations**

1. In accordance with their prevailing laws and regulations, the Parties agree to establish a Peru-Thailand Negotiation Committee, which will be composed of representatives from both Parties.
2. All meetings of the Negotiation Committee will be jointly chaired by a senior official from the Ministry of Foreign Trade and Tourism on behalf of the government of the Republic of Peru and by a senior official from the Ministry of Commerce on behalf of the government of the Kingdom of Thailand. The chairs may delegate their authority to their respective officials to conduct a meeting of the Committee. The Ministry of Foreign Trade and Tourism and the Ministry of Commerce may be assisted by officials from other government agencies as circumstances require.
3. The Negotiation Committee may establish ad hoc working groups that may meet concurrently or separately to facilitate its work. The ad hoc working groups shall report to the Negotiation Committee.
4. The Negotiation Committee shall meet regularly to oversee the implementation of this Framework Agreement.
5. The Negotiation Committee shall report regularly to the Republic of Peru's Minister of Foreign Trade and Tourism and the Kingdom of Thailand's Minister of Commerce on the progress and outcomes of the negotiations.
6. The Parties will take turn hosting the Negotiation Committee meetings and providing the necessary secretariat support.

**ARTICLE 10**  
**Miscellaneous Provisions**

1. Except as otherwise provided in this Framework Agreement, this Framework Agreement or any action taken under it shall not affect or nullify the rights and obligations of a Party under existing agreements to which it is a party.
2. The Parties shall endeavor to refrain from increasing restrictions or limitations that would affect the application of this Framework Agreement.

**ARTICLE 11**  
**Entry into Force**

1. Each party shall notify to the other the completion of its internal procedures for the entry into force of this Framework Agreement.
2. This Framework Agreement shall enter into force on the date of receipt of the later of these notifications.

**IN WITNESS WHEREOF**, the undersigned, being duly authorized by their respective governments, have signed this Agreement.

**DONE** at Bangkok, Thailand on this 17 day of October 2003; in duplicate, in the Thai, Spanish, and English languages, all texts being equally authentic. In case of divergence, the English text shall prevail.

For the Government of the Kingdom  
of Thailand

Mr. Adisai Bodharamik  
Minister of Commerce

For the Government of the Republic  
of Peru

Amb. Allan Wagner Tizón  
Minister of Foreign Affairs

2. Protocol between The Kingdom of Thailand and  
The Republic of Peru to Accelerate The Liberalization of  
Trade In Goods and Trade Facilitation

PROTOCOL BETWEEN THE KINGDOM OF THAILAND AND THE  
REPUBLIC OF PERU TO ACCELERATE THE LIBERALIZATION  
OF TRADE IN GOODS AND TRADE FACILITATION

THE GOVERNMENT OF THE KINGDOM OF THAILAND AND THE  
GOVERNMENT OF THE REPUBLIC OF PERU (hereinafter referred to  
as the "Parties"),

RECALLING the Framework Agreement on Closer Economic Partnership  
between the Government of Thailand and the Government of the Republic  
of Peru, done at Bangkok, Thailand on 17 October 2003 (hereinafter  
referred to as "the Framework Agreement");

REAFFIRMING the undertakings of the Parties to endeavor to  
progressively liberalize and promote trade in goods between the Parties;  
facilitate the movement of goods between the territories of the Parties; and  
strengthen and enhance economic partnership between the two countries;

NOTING the substantial progress on the trade in goods negotiations  
between the Parties pursuant to Article 2 of the Framework Agreement;

DESIRING to accelerate the liberalization of trade in goods between the  
Parties;

HAVE AGREED AS FOLLOWS:

ARTICLE 1  
MARKET ACCESS ON GOODS

1. With the view to accelerate the realization of benefits from the  
Framework Agreement, the Parties agree that the rules for the tariff  
elimination process, as established in Annex 1, are to be applied to  
the products listed in Appendix 1 of the aforementioned Annex.
2. The customs duties reduction and/or elimination will only apply to  
goods included in Appendix 1: [List of Goods] of Annex 1 whose  
specific rules of origin have been agreed as stated in Appendix 1:  
[Specific Rules of Origin] of Annex 2.

3. The tariff reduction and elimination schedules are in Appendix 2 [Tariff Schedule] of Annex 1.

## **ARTICLE 2 RULES OF ORIGIN**

1. The Parties agree to establish Rules of Origin and procedures for qualification, certification, verification and control of the origin of the goods under Article 1 and its Annex.
2. For this purpose, the Rules of Origin agreed by the Parties as set out in Annex 2 shall apply.
3. The Parties agree to continue negotiating the specific rules of origin for the tariff lines included in Appendix 1: [List of Goods] of Annex 1 for which specific rules of origin are still pending. Additionally, the Parties agree to continue negotiating on Appendix 1: [Specific Rules of Origin], Appendix 2: [Certificate of Origin] and Appendix 3: [Producer Declaration Form] of Annex 2. The outcome will be an integral part of this Protocol once approved by the Parties in accordance to their own internal procedures.

## **ARTICLE 3 SAFEGUARDS**

If as a result of unforeseen circumstances arising from tariff reduction or elimination pursuant to this Protocol, an originating good of the other Party is imported into the territory of a Party in such a manner or in such increased quantities as to cause or threaten to cause serious injury to the domestic producers of such good in the importing Party, the importing Party may, after prior consultations to be concluded within ninety (90) days from the date of notifying the other Party or on any mutually agreed timeframe, suspend provisionally and without discrimination the preferential treatment so accorded.

## ARTICLE 4 SANITARY AND PHYTOSANITARY MEASURES

1. The Parties agree to facilitate safe bilateral trade in agricultural and food products, strengthen cooperation between their government agencies having responsibility for matters relating to sanitary and phytosanitary measures, and deepen mutual understanding of the Parties' regulations and procedures.
2. For the purpose of this Article, the Parties shall apply the provisions on Sanitary and Phytosanitary Measures (SPS) set out in Annex 3.
3. The Parties shall establish a Joint Committee consisting of representatives of the Parties, which will meet within three months of the entry into force of this Protocol and at least annually thereafter or as mutually agreed by the Parties. The Joint Committee shall consider any matter relating to the implementation of the provisions on SPS set out in the Annex and shall have the following functions:
  - (a) to establish technical working groups, as required;
  - (b) to initiate, develop and review the implementation of agreements on technical matters which further elaborate the provisions contained in the Annex;
  - (c) to review and assess progress of each Party's priority market access interests; and
  - (d) to strengthen technical cooperation in sanitary and phytosanitary measures.
4. The Joint Committee shall continue to perform its functions under the provisions of the Peru - Thailand Free Trade Agreement to be concluded by the Parties pursuant to the Framework Agreement.

## ARTICLE 5 TECHNICAL BARRIERS TO TRADE

1. The Parties shall ensure that the standards, technical regulations, conformity assessment procedures and metrology do not create unnecessary obstacles to trade.

2. For the purpose of this Article, the provisions on Technical Barriers to Trade as set out in Annex 4 shall apply.
3. The contact points for the purposes of this Article shall be:
  - (a) in the case of Thailand, the Thai Industrial Standards Institute;
  - (b) in the case of Peru, the Ministry of Foreign Trade and Tourism.

## **ARTICLE 6 CUSTOMS PROCEDURES**

1. The Parties agree on Customs Procedures as set out in Annex 5 with the view to promote the objectives of this Protocol by simplifying the procedures applied by their customs administrations and ensure their proper application in relation to bilateral trade between them.
2. The Parties agree that their customs administrations shall provide each other mutual assistance to prevent breaches in customs legislation as well as to protect the economic, fiscal, social and trade interests of each country and to ensure an appropriate and efficient customs collection by their administrations.

## **ARTICLE 7 TRANSPARENCY**

The Parties agree to ensure the transparent administration of their laws and regulations in accordance with the provisions set out in Annex 6.

## **ARTICLE 8 DISPUTE SETTLEMENT MECHANISM**

1. The Parties agree to establish formal procedures and mechanisms for the settlement of any dispute arising between the Parties regarding the interpretation, application or implementation of this Protocol and its Annexes.

2. Such procedures and mechanisms shall be established in accordance with the provisions set out in Annex 7.

## **ARTICLE 9 ESTABLISHMENT OF JOINT COMMISSION**

1. A Joint Commission shall be established to ensure the proper implementation of this Protocol and its Annexes and to review periodically the economic relationship and partnership between the Parties.
2. The Joint Commission may meet at the level of ministers or senior officials, as mutually determined from time to time by the Parties.
3. Each Party shall be responsible for the composition of its delegation.
  - (a) In the case of Peru, such senior officials shall be designated by the Ministry of Foreign Trade and Tourism; and
  - (b) in the case of Thailand, such senior officials shall be designated by the Ministry of Commerce.

## **ARTICLE 10 FINAL PROVISIONS**

1. Each Party shall notify the other Party the completion of its internal procedures for the entry into force of this Protocol.
2. This Protocol shall enter into force on the date of receipt of the later of these notifications, and shall continue in force until the date of the entry into force of the Peru - Thailand Free Trade Agreement.

IN WITNESS WHEREOF, the undersigned, being duly authorized by their respective governments, have signed this Protocol.

DONE at Busan, Republic of Korea on this 19 day of November 2005; in duplicate, in the Thai, Spanish, and English languages, all texts being equally authentic. In case of divergence of interpretation, the English text shall prevail.

For the Government of  
the Kingdom of Thailand

Dr. Kantathi Suphamongkhon  
Minister of Foreign Affairs

For the Government of  
the Republic of Peru

Amb. Oscar Maúrrica de Romaña  
Minister of External Relations

## **ANNEX 1**

### **TRADE IN GOODS**

#### **ARTICLE 1**

##### **Scope**

Except as otherwise provided, this Annex applies to trade in goods between the Parties.

#### **ARTICLE 2**

##### **National Treatment**

Each Party shall accord national treatment to the goods of the other Party in accordance with Article III of the General Agreement on Tariffs and Trade (hereinafter referred to as “GATT”) 1994.

#### **ARTICLE 3**

##### **Elimination of Customs Duties**

1. The provisions of this Annex concerning the elimination of customs duties on imports shall apply to goods originating in the territories of the Parties.
2. A Party shall not increase an existing customs duty or introduce a new customs duty on imports of originating goods.
3. Each Party shall refrain from applying any measure that reduces or nullifies the commitment of this Annex.
4. Except as otherwise provided in this Protocol, each Party shall progressively eliminate its customs duties on originating goods of the other Party listed in Appendix 1 (List of Goods) in accordance with its Tariff Schedule in Appendix 2 (Tariff Schedule).
5. The tariff classification of trade in goods between the Parties shall be governed by national nomenclature of each Party, which will be consistent with the Harmonized System for Designation and Coding of Goods – 2002, and its amendments.

## **ANNEX 1**

6. The Tariff Elimination Program shall not be applicable to used goods identified under the same HS code of new goods and those identified in Appendix 3.

### **ARTICLE 4 Accelerated Tariff Elimination**

1. On the request of a Party, the Parties shall consult to consider accelerating the elimination of customs duties on originating goods as set out in Appendix 1.
2. An agreement by the Parties to accelerate the elimination of customs duties on originating goods shall enter into force after the Parties have exchanged written notification advising that they have completed necessary internal legal procedures and on such date or dates as may be agreed between them.
3. A Party may at any time accelerate unilaterally the elimination of customs duties on originating goods of the other Party set out in its Schedule. A Party considering doing so shall inform the other Party as early as practicable.

### **ARTICLE 5 Administrative Fees and Formalities**

Each Party shall ensure, in accordance with Article VIII (1) of GATT 1994, that all fees and charges of whatever character (other than customs duties, charges equivalent to an internal tax or other internal charge applied consistently with Article III (2) of GATT 1994, and anti-dumping and countervailing duties) imposed on or in connection with import or export are limited in amount to the approximate cost of services rendered and do not represent an indirect protection to domestic goods or a taxation on imports or exports for fiscal purposes.

## **ANNEX 1**

### **ARTICLE 6 Anti-Dumping Measures**

Each Party maintains its rights and obligations under the WTO Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994.

### **ARTICLE 7 Subsidies and Countervailing Measures**

1. Each Party maintains its rights and obligations under the WTO Agreement on Subsidies and Countervailing Measures.
2. Notwithstanding, goods benefiting from export subsidies shall not be subject to customs duties elimination agreed in this Annex.

### **ARTICLE 8 Agricultural Export Subsidies**

1. The Parties share the objective of the multilateral elimination of export subsidies on agricultural products and shall work towards an agreement in the WTO to eliminate those subsidies and prevent the introduction in any form of any new export subsidies on agricultural products.
2. Consistent with their rights and obligations under the WTO Agreement, neither Party shall introduce or maintain any export subsidy on any agricultural product destined for the territory of the other Party.
3. At the earliest possible time, a Party shall give to the other Party advance notice of, and if requested shall consult on, any changes to relevant policies or measures. The Parties agree to enhance communication between their appropriate officials with a view to minimising trade distortions from such policies or measures. Where the affected Party identifies an adverse impact on its agriculture and food industries, the other Party shall take that impact into consideration.

## **ANNEX 1**

### **ARTICLE 9 Non-Tariff Measures**

1. Except as otherwise provided in this Protocol, no Party shall maintain or adopt any prohibition, restriction or non-tariff measure on the import of any good of the other Party or on the export or sale for export of any good destined for the territory of the other Party, except in accordance with Article XI of GATT 1994.
2. Each Party shall ensure the transparency of its non-tariff measures permitted in paragraph 1 and shall ensure that any such measures are not prepared, adopted or applied with a view to or with the effect of creating unnecessary obstacles to trade between the Parties.

### **ARTICLE 10 Definition**

“Customs Duties” includes any customs or import duty and a charge of any kind imposed in connection with the import of a good, including any form of surtax or surcharge in connection with such import, but does not include any:

- (a) charge equivalent to an internal tax imposed consistently with Article III (2) of GATT 1994;
- (b) anti-dumping or countervailing duty applied consistently with the provisions of GATT 1994, the WTO Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994, and the WTO Agreement on Subsidies and Countervailing Measures; and
- (c) fee or other charge in connection with importing commensurate with the cost of services rendered.

## **ANNEX 2**

### **RULES OF ORIGIN FOR PRODUCTS ELIGIBLE FOR PREFERENTIAL TARIFF TO ACCELERATE THE LIBERALIZATION OF TRADE IN GOODS AND TRADE FACILITATION UNDER THE PROTOCOL BETWEEN THE KINGDOM OF THAILAND AND THE REPUBLIC OF PERU**

#### **SECTION A: PREAMBLE**

The purpose of the Rules of Origin under the Protocol between the Kingdom of Thailand and the Republic of Peru (hereinafter referred to as the "Protocol") is to define the rules and procedures for qualification, certification, verification and control of the origin of goods that will benefit from the preferential treatment for accelerating the liberalization of trade in goods and trade facilitation under the Protocol.

#### **SECTION B: DETERMINATION OF ORIGIN**

##### **ARTICLE 1 Definitions**

For the purposes of this Annex:

- 1. Day** means calendar day;
- 2. Exporter** means a natural or juridical person located in the territory of a Party from which the good is exported;
- 3. Harmonized system** means the Harmonized Commodity Description and Coding System as defined in the International Convention on the Harmonized Commodity Description and Coding System (done at Brussels on 14 June 1983), including all legal notes thereto, as in force and as amended;
- 4. Generally Accepted Accounting Principles** means the recognized consensus or substantial authoritative support in the territory of a Party, with respect to the recording of revenues, expenses, costs, assets and liabilities, the

## **ANNEX 2**

disclosure of information and the preparation of financial statements. These standards may encompass broad guidelines of general application as well as detailed standards, practices and procedures;

**5. Indirect materials** means materials used in the production, testing or inspection of the goods but not physically incorporated into the goods, or materials used in the maintenance of buildings or the operation of equipment associated with the production of goods, including:

- (a) fuel and energy;
- (b) tools, dies and molds;
- (c) parts and materials used in the maintenance of equipment and buildings;
- (d) lubricants, greases, compounding materials and other materials used in production or used to operate equipment and buildings;
- (e) gloves, glasses, footwear, clothing, safety equipment and supplies;
- (f) equipment, devices and supplies used for testing or inspecting the goods;
- (g) catalysts and solvents; and
- (h) any other goods that are not incorporated into the goods but whose use in the production of the goods can reasonably be demonstrated to be a part of that production;

**6. Importer** means a natural or juridical person located in the territory of a Party into which the good is imported;

**7. Material** means raw materials, ingredients, parts, components, subassemblies and goods that are physically incorporated into another goods or are subject to a process in the production of another goods;

**8. Minimal operations** means:

- (a) operations to ensure the preservation of goods in good condition during transport and storage;

## ANNEX 2

- (b) simple operations consisting of sifting or screening, sorting, classifying, matching, making-up sets of articles, washing, painting, slicing, mixing, cutting and repacking or placing in bottles, flasks, bags, fixing on cards or boards, etc.;
- (c) change of packaging, breaking up and assembly of packages;
- (d) affixing of marks, labels, trade marks or other distinguishing signs on goods or its packing;
- (e) disassembly of goods in its parts;
- (f) simple assembly of parts or products to constitute a complete product;
- (g) placing in bottles, cases, boxes and other packaging operation;
- (h) cleaning, including removal of dust, oxide, oil, paint or other coverings;
- (i) application of oil;
- (j) the collection of goods to make sets or assortments;
- (k) the slaughtering of animals;
- (l) mixing of materials, dilution in water or another substance that does not materially alter the characteristics of the goods;
- (m) the originating goods processed by a combination of two or more operations referred to in subparagraphs (a) through (l) above;

**9. Non-originating good** means any good that does not qualify as originating of any Party, according to the Rules of Origin of this Protocol;

**10. Non-originating material** means any material that does not qualify as originating of any Party, according to the Rules of Origin of this Protocol;

**11. Originating good** means any good that qualifies as originating of any Party, according to the Rules of Origin of this Protocol;

## **ANNEX 2**

**12. Originating material** means any material that qualifies as originating of any Party, according to the Rules of Origin of this Protocol;

**13. Production** means growing, harvesting, extracting, mining, raising, capturing, fishing, trapping, hunting, manufacturing, processing or assembling a good;

**14. Packing material and container for shipment** means goods used to protect a good during its transportation and does not include the packaging materials and containers in which a good is packaged for retail sale.

### **ARTICLE 2 Originating Goods**

1. Except as otherwise provided in this Annex, each Party shall provide that a good is originating where:

- (a) it is wholly obtained or produced entirely in the territory of one or both Parties; or
- (b) each of the non-originating materials used in the production of the good satisfies the corresponding specific rule of origin included in Appendix I (Specific Rules of Origin) as a result of a production process carried out in the territory of one or both Parties; or
- (c) it is produced in the territory of one or both Parties exclusively from originating materials.

2. Additionally, the good shall satisfy all the applicable requirements of this Annex.

3. A minimal operation does not confer origin to a non-originating good or material.

## **ANNEX 2**

### **ARTICLE 3** **Wholly Obtained or Produced Entirely Goods**

Within the meaning of Article 2 (1) (a), the following shall be considered as wholly obtained or produced entirely goods in the territory of one or both Parties:

- (a) mineral goods extracted in the territory of one or both Parties;
- (b) agricultural goods harvested, picked, or gathered in the territory of one or both Parties;
- (c) live animals born and raised in the territory of one or both Parties;
- (d) goods obtained from live animals in the territory of one or both Parties;
- (e) goods obtained from hunting, trapping, fishing, gathering, capturing, or aquacultural conducted in the territory of one or both Parties;
- (f) fish, shellfish, plant and other marine life taken within the territorial sea or the relevant maritime zone of a Party seaward of the territorial sea or high seas under that Party's applicable laws or in accordance with the provisions of the United Nations Convention on the Law of the Sea;
- (g) goods taken by a Party, or a person of a Party, from the seabed or subsoil beneath the seabed of the territorial sea or the continental shelf of that Party;
- (h) waste and scrap derived from production in the territory of one or both Parties, or used goods collected in the territory of one or both Parties, provided that such goods are fit only for the recovery of raw materials; and
- (i) goods produced entirely in the territory of one or both Parties exclusively from goods referred to in paragraphs (a) to (i) of this Article.

## **ANNEX 2**

### **ARTICLE 4 Accumulation**

1. Originating goods or materials of one Party, incorporated into any good in the territory of the other Party, shall be considered originating in the territory of such other Party.
2. A good is originating, when the good is produced in the territory of one or both Parties, by one or more producers, provided that the good satisfies the requirements in Article 2 and all other requirements in this Annex.

### **ARTICLE 5 Treatment of Packing and Packaging Materials**

1. Packaging Materials and Containers for Retail Sale
  - (a) The packaging materials and containers, in which the goods are packaged for retail sale, if classified with the goods, shall be disregarded in determining the origin of the goods.
  - (b) When the goods are subject to a regional value content requirement, the value of such packaging materials and containers shall be taken into account only if they are originating materials of one or both Parties.
2. Packing Materials and Containers for Transportation

Packing materials and containers for transportation shall be disregarded in determining the origin of the goods of all cases.

### **ARTICLE 6 Accessories, Spare Parts or Tools**

Accessories, spare parts or tools delivered with originating goods shall be treated as originating goods, provided that:

- (a) accessories, spare parts, or tools are not invoiced separately from the originating goods;

## **ANNEX 2**

- (b) the quantities and value of the accessories, spare parts, or tools are customary for the originating goods; and
- (c) if the goods are subject to a regional value content requirement, the value of the accessories, spare parts, or tools shall be taken into account only if they are originating materials of one or both Parties.

### **ARTICLE 7 Regional Value Content**

1. Where Appendix I (Specific Rules of Origin) specifies a regional value content requirement, the calculation shall be based on the following method:

$$RVC = \frac{FOB - VNM}{FOB} \times 100$$

where:

- (a) “RVC” is the regional value content of the good, expressed as a percentage;
  - (b) “*FOB*” is the Free On Board value of the particular good determined in accordance with Articles 1 through 8, Article 15 and the corresponding interpretative notes of the WTO Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade 1994 (hereinafter referred to as the “WTO Customs Valuation Agreement”);
  - (c) “*VNM*” is the value of all non-originating materials used by the producer in the production of the good determined in accordance with Articles 1 through 8, Article 15 and the corresponding interpretative notes of the WTO Customs Valuation Agreement.
2. The value of a non-originating material shall be:
- (a) the CIF (Cost, Insurance and Freight) value of the material, determined in accordance with Articles 1 through 8, Article 15 and the corresponding interpretative notes of the WTO Customs

## **ANNEX 2**

Valuation Agreement, for a material imported directly by the producer of the good;

- (b) the transaction value, for a material acquired by the producer of the good in the territory where the good is produced.

3. To determine the RVC value, the Generally Accepted Accounting Principles shall be applied.

### **ARTICLE 8** **“De Minimis” Rule**

Notwithstanding Article 2, a good produced in the territory of one or both Parties shall be originating if the value of all the non-originating materials used in the production of the good that does not satisfy the requirement of change in tariff classification set forth in Appendix I (Specific Rules of Origin), does not exceed 10% of the FOB value of the good.

### **ARTICLE 9** **Fungible Goods and Materials**

1. In order to consider if a good is originating, when in the production process originating and non-originating fungible materials physically mixed or combined are used, the origin of materials may be determined through the physical segregation of each fungible good or material or through the use of any inventory management method as set forth in domestic laws in force by each Party.

2. The inventory management method selected under paragraph 1 for a particular fungible good or material shall continue to be used for that good or material throughout all the fiscal year of the person that selected the inventory management method.

### **ARTICLE 10** **Indirect Materials**

Indirect materials shall be considered to be an originating material, without regards to where it is produced.

## **ANNEX 2**

### **ARTICLE 11**

#### **Set of Goods**

1. Sets or assortments of goods, as a result of the application of rule 3 of the General Rules for the Interpretation of the Harmonized System, shall be originating only if each good in the set or assortment is originating, and both the set or assortment and the goods meet with all other applicable requirements in this Annex.
2. Notwithstanding paragraph 1 of this Article, a set or assortment of goods is originating, if the value of all non-originating goods in the set or assortment does not exceed 15% of the FOB value of the set or assortment.

### **ARTICLE 12**

#### **Direct Consignment**

For the purpose of this Article, the preferential treatment as stated in this Protocol, shall be given to the originating goods, consigned directly from the exporting Party to the importing Party. For such purposes, direct consignment shall mean:

- (a) the goods transported only through the territory of the Party; or
- (b) the goods transported in transit, through one or more countries that are not parties to the Protocol, with or without transshipment or temporary storage, under the control or surveillance of the customs authority of transited country, provided that;
  - (i) the transit is justified by geographic reasons or considerations related to transportation requirements;
  - (ii) the goods are not allocated to the trade, use or employment in the country of transit; and
  - (iii) the goods have not undergone any operation there other than the loading, unloading or handling to keep them in good conditions or to ensure conservation.

## **ANNEX 2**

### **ARTICLE 13**

#### **Review and Modification of Rules of Origin**

1. A Party that considers that a specific rule of origin set forth in Appendix I (Specific Rule of Origin) requires modification to take into account developments in production processes, lack of supply of originating materials, or other relevant factors may submit a proposed modification along with supporting rationale and any studies to the Joint Commission for consideration.
2. On submission by a Party of a proposed modification under paragraph 1 of this Article, the Joint Commission may refer the matter to a working group within thirty (30) days or on such other date as the Joint Commission may decide. The working group shall meet to consider the proposed modification within ninety (90) days of the date of referral or on such other date as the Joint Commission may decide.
3. Unless the Joint Commission agrees otherwise, within this period of time, the working group shall supply a report to the Joint Commission, setting out its conclusions and recommendations, if any.
4. The Parties shall conclude the review and modification process within one hundred and eighty (180) days following the date of referral of the request. Nevertheless, the Parties may agree to extend the period of that process.

## **SECTION C: OPERATIONAL PROCEDURES**

### **ARTICLE 14**

#### **Claim of Preferential Tariff Treatment**

1. An importer claiming preferential tariff treatment for a good under this Protocol shall make a written declaration that the good is originating on the importation document based on the Certificate of Origin submitted to the customs authorities of the importing Party.
2. An importer shall claim preferential treatment only before the release of the good.

## **ANNEX 2**

### **ARTICLE 15 Certificate of Origin**

1. The certificate of origin is used to provide evidence that the good exported from the territory of one Party to the territory of the other Party is originating, as provided under this Annex.
2. The certificate of origin shall be issued with the minimal data included in Appendix II, which may be modified by the Parties upon mutual agreement. Each certificate of origin shall cover one shipment of one or several goods.
3. The issue and control of certificates of origin shall be responsibility of the competent authorities of each Party. The certificates of origin may be issued by the authorities directly or by other responsible bodies, according to the domestic regulations.
4. The application for a certificate of origin shall be made by an exporter or final producer of the good. That producer or exporter shall provide to the certifying entity its application with the commercial invoice and all any other necessary documents that evidences that the good complies with the rules of origin set under this Annex, including a Declaration of the Producer containing minimal information as set forth in Appendix III. When the exporter is not the producer, the exporter shall supply the declaration of origin.
5. The certificate of origin shall be submitted in the English language. However, the customs authority of the importing Party may require the importer to submit a translation of the certification in the language of the importing Party.
6. The certificate of origin shall include the name and signature of the officer designated by the exporting Party, as well as the seal of the certifying body. The certificate of origin shall not have any amendment.
7. The certificate of origin shall indicate the applicable rules of origin.
8. The certificate of origin shall be issued within the five (5) days following the submission of the application, and shall be effective for three hundred and sixty five (365) days from the date of issue. It shall not be issued prior to the date of issue of the commercial invoice, and no later than the date of shipment.

## **ANNEX 2**

9. In exceptional cases where a certificate of origin has not been issued at the time of shipment due to involuntary errors or omissions or other valid cause, the certificate of origin may be issued bearing "ISSUED RETROACTIVELY" no longer than six (6) months from the time of shipment.

10. In the event of theft, loss or destruction of a certificate of origin, the exporter may apply in writing to the certifying entities which issued it for a certified true copy of the original to be made on the basis of the export documents in their possession bearing the endorsement of the word "CERTIFIED TRUE COPY". The copy should have the same effective days as the original certification.

11. In the event that the goods are temporarily stored under control of the customs authority of the Party of destination, the certificate of origin shall remain in effect for the additional amount of time the customs administration has established for such operations.

12. The Parties shall exchange the procedures regarding the issue of certificate of origin within three (3) months after the signature of the Protocol.

### **ARTICLE 16 Certifying Entities**

1. Each Party shall notify to the other Party the names of the certifying entities, as well as the registry of the names, signatures and seals of the officials accredited to issue certificates of origin and shall maintain an updated record of the names, signatures and seals of officials who are authorized to countersign them.

2. Any change to the registry, signatures, seals of officials, or the entities authorized to issue certificates of origin, shall be notified to the Joint Commission, indicating the dates of which officials are authorized or no longer authorized to issue certificates of origin.

3. Accreditation and notice of names, signature and seals of officials authorized to countersign the certificates of origin, as well as the entities authorized to issue them shall be in force for thirty (30) days after the notification to the Joint Commission.

## **ANNEX 2**

### **4. The Certifying Bodies of each Party shall:**

- (a) verify that the goods are originating according to the Rules of Origin of this Protocol;
- (b) ensure that the statements of the certificate of origin correspond to supporting documentary evidence submitted;
- (c) ensure that the description, quantity and weight of goods, as specified, conform to the consignment to be exported;
- (d) number correlatively the certificates issued. Each certificate of origin shall bear a printed correlative number and a reference number separately given by each certify entity;
- (e) keep one copy of all the certificates of origin issued on file for five (5) years as from the date of issue. The file shall include all background information used for the issuance of the certificate.
- (f) present reports in compliance with the present Annex;
- (g) provide the means necessary for supervising their actions; and
- (h) provide the other Party with the necessary administrative cooperation and information for the control of evidence of origin.

## **ARTICLE 17**

### **Control of the Certificates of Origin**

1. In case of doubts relating to the authenticity of the certificate of origin, the truthfulness of the information contained in the certificate or the presumption of breach of the provisions of this Annex, the customs authorities of the importing Party may require a guarantee equivalent to the value of the corresponding customs duty or its payment, in accordance with their respective domestic legislation. The customs authorities shall, in no case, prevent the continuation of the import process and the release of the goods.

2. When the certificate of origin contains mistakes or is incomplete, the customs authorities of the importing Party shall notify the importer and grant a term of sixty (60) days as from the date of reception of the notification for

## **ANNEX 2**

due submission of the said document. Upon expiration of the term, the guaranties may be effective or the corresponding liens may be collected.

### **ARTICLE 18 Verification of Origin**

1. In case of doubts relating to the authenticity of the certificate of origin, the truthfulness of the information contained in the certificate or the presumption of breach of the provisions of this Annex, the competent authority of the importing Party may initiate an investigation in order to verify the compliance of this Annex.
2. Once an investigation has been initiated, the importing Party shall notify the exporting Party of the beginning of the said investigation and may request:
  - (a) necessary information to verify the authenticity of the certificate of origin, as well as of the information contained therein, including the background information that accompany the application for preferential treatment in accordance with this Annex;
  - (b) answers to written questionnaires with additional information sent to the producer, exporter or importer, in order to verify the truthfulness of the information contained in the certificate of origin;
  - (c) verification visits to the premises of the producer in the territory of the other Party, to review the records referred to paragraph 4 of Article 16 or to observe the facilities used in the production of the good under investigation, as well as any information and document that justifies the origin of the good; or
  - (d) other procedures agreed between the importing and the exporting Parties for verifying the origin of the good.
3. Any information communicated between the Parties concerned shall be treated as confidential and shall be used only for the validation of certificate of origin purpose.

## **ANNEX 2**

### **ARTICLE 19**

#### **Terms**

1. In the event that the information requested in accordance with the Article 18 is not delivered within the time of one hundred and twenty (120) days, or if the reply does not provide sufficient information to determine the authenticity of the certificate of origin or the truthfulness of the information contained in said document, the competent authority of the importing Party may deny preferential tariff treatment for the goods covered by the certificates subject to the verification procedure. The Resolution that denied the preferential treatment may not be claimed at a later stage.
2. In the event that the importing Party requests a verification visit to the facilities of the producer or exporter, the exporting Party shall have forty five (45) days after the date of receipt of the application to grant its consent. If the request for verification visit is not accepted, the investigation shall be deemed as terminated and the importing Party shall refuse a preferential treatment to the said import. The Resolution that denied the preferential treatment may not be claimed at a later stage.
3. The investigation, including the verification visit, shall not exceed three hundred and sixty five (365) days from the date of notification to the exporting Party.

### **ARTICLE 20**

#### **Determination of Investigation**

1. If, as a result of the investigation of origin:
  - (a) the originating nature of the good is acknowledged, the competent authority of the importing Party shall deem the investigation as terminated and shall return the guaranties given or the value of the corresponding liens.
  - (b) it is verified that the certificate contains false information or that the good does not qualify as originating, the importing Party shall collect the corresponding liens or shall honor the guaranties. Additionally, the importing Party may apply the corresponding sanctions according to its domestic laws.

## **ANNEX 2**

2. The determination of qualification of origin must be issued through a Resolution of the competent authority.

### **ARTICLE 21**

#### **Sanctions**

1. The certifying entities of each Party for the issuance of certificates of origin shall be jointly liable with the producer or exporter, as far as authenticity of information contained in the certificate of origin is concerned.

2. Each Party shall adopt or keep measures that allow the imposition of civil, administrative and criminal sanctions in case of any violation regarding the certification of origin.

### **ARTICLE 22**

#### **Post Clearance Review**

1. The competent authorities of the importing Party may conduct an investigation of origin of the goods after the clearance of the goods, according to its domestic legislation.

2. The procedure for this investigation shall be the procedure set forth in Articles 18 through 21 of this Annex.

### **ARTICLE 23**

#### **Consultation and Dispute Settlement**

If the conclusions of the investigation are not satisfactory to any of the Parties, they shall enter into bilateral consultation. If the Parties fail to resolve the matter through such consultation, dispute settlement mechanisms provided under Annex 7 of this Protocol may be invoked.

### **ANNEX 3**

## **SANITARY AND PHYTOSANITARY MEASURES**

### **ARTICLE 1**

#### **Objectives**

The objectives of this Annex are:

- (a) to protect human, animal or plant life or health in the territory of each Party;
- (b) to facilitate safe bilateral trade in agricultural and food products;
- (c) to strengthen cooperation between the Thai and Peruvian government agencies having responsibility for matters covered by this Annex and to deepen mutual understanding of each Party's regulations and procedures; and
- (d) to strengthen collaboration between the Parties and relevant international bodies in implementing agreements or developing international standards, guidelines and recommendations relevant to the matters covered by this Annex.

### **ARTICLE 2**

#### **Definitions**

For this Annex, the definitions under Annex A of the WTO Agreement on the Application of Sanitary and Phytosanitary Measures (hereinafter referred to as the "SPS Agreement") shall be applicable.

### **ARTICLE 3**

#### **Scope**

1. This Annex shall apply to all sanitary and phytosanitary measures (hereinafter referred to as "SPS measures") of a Party that may, directly or indirectly, affect trade in agricultural and food products traded between the Parties.
2. This Annex shall also apply to:
  - (a) all other agricultural and food standards related to agricultural and food products traded between the Parties;

### **ANNEX 3**

- (b) assessments of manufacturers or manufacturing processes of agricultural and food products exported from one Party to the other Party; and
- (c) assessments of control, inspection and approval official systems related to agricultural and food products, operated by the Parties.

### **ARTICLE 4**

#### **Rights and Obligations**

The Parties reaffirm their existing rights and obligations with respect to each other under the SPS Agreement.

### **ARTICLE 5**

#### **Harmonisation**

1. The Parties shall endeavour to work towards harmonisation of SPS measures and other agricultural and food standards, on as wide basis as possible, as provided for under Article 3 of the SPS Agreement.
2. The Parties shall use the international standards, guidelines and recommendations as the basis for adopting and applying their SPS measures. In the absence of them or when they are not appropriate to reach the protection level required by the importing Party, the Parties may adopt the SPS measures that may be deemed pertinent with the due scientific justification.

### **ARTICLE 6**

#### **Equivalence**

1. The Parties recognise that the principle of equivalence as set down in Article 4 of the SPS Agreement, as applied to SPS measures and other agricultural and food standards, has mutual benefits for both exporting and importing countries.
2. The Parties shall follow the procedures for determining the equivalence of SPS measures and other agricultural and food standards, including control, inspection and approval procedures, developed by the SPS Joint Committee and the Codex Alimentarius Commission, the World Organization of Animal Health and the International Plant Protection Convention, as amended from time to time.

### **ANNEX 3**

3. The Parties shall try to enter into agreements of equivalence acknowledgment of their sanitary and phytosanitary measures, in order to ease the trade of the products subject to sanitary and phytosanitary measures and to foster mutual confidence between the respective competent authorities.
4. Compliance by an exported food product with a food standard that has been accepted as equivalent to a food standard of the importing Party shall not remove the need for that product to comply with any other relevant mandatory requirements of the importing Party.
5. Whenever an equivalent agreement is in the process of negotiation and provided that no final approval is achieved, the Parties could neither stop nor apply sanitary and/or phytosanitary conditions more constraining than those in force in their mutual trade, but those arising out of the sanitary or phytosanitary emergencies.

### **ARTICLE 7**

#### **Risk Assessment and Determination of the Appropriate Level of Sanitary or Phytosanitary Protection**

1. Sanitary and phytosanitary measures will be based on a risk assessment, in line with the circumstances of the risks existing for human, animal and plant life and health, taking into account the risk analysis techniques developed by the competent international organizations, so that the measures adopted may reach the appropriate level of protection.
2. When a Party decides to make a risk assessment of a product for which there is a fluid and regular trade, that Party could not interrupt the trade of the products affected but in the case of a sanitary or phytosanitary emergency situation.

### **ARTICLE 8**

#### **Acknowledgement of Pest or Diseases Free Zones/Areas and Areas of Low Pest or Disease Prevalence**

The Parties shall ensure that their SPS measures are adapted to the pest or disease-free zones/areas and areas of low Pest or Disease Prevalence which

### **ANNEX 3**

are recognized by or based on the appropriate criteria or guidelines of the relevant international organization, in accordance with the provisions under Article 6 of the SPS Agreement. For this purpose, reasonable access shall be given, upon request, to the importing Party for inspection, testing and other relevant procedures. The importing Party shall make decision in an appropriate manner with the aim of facilitating bilateral trade.

#### **ARTICLE 9**

##### **Control, Inspection and Approval Procedures**

1. The application of control, inspection and approval procedures can not turn into disguised restrictions on trade between the Parties, and it shall be performed in accordance with Annex C of the SPS Agreement and the international standards, guidelines and recommendations established by the relevant organizations identified under said Agreement, and if they do not exist, the importing Party shall inform on the procedure to be applied, which can not be an unjustified barrier to trade.
2. Any restriction on the access to the market by the importing Party arising out of changes in the control and inspection procedure without the due technical justification will be considered an unjustified barrier to trade.

#### **ARTICLE 10**

##### **Transparency**

1. The Parties undertake to notify their proposed SPS measures to the contact points of the other Party at least sixty (60) days before they are adopted.
2. Any extension of this time frame adopted by a Party shall be immediately reported to the other Party.
3. In cases of urgency or duly justified emergency, the Parties may adopt the measures and rules specified in the foregoing paragraph, without observing the time frame established. In these cases the Party shall notify the adopted measure to the other Party within five (5) days.

### **ANNEX 3**

4. In any event, the Party adopting or willing to adopt the measure shall give, without discrimination to the other Party, the possibility of making comments on the adopted or the proposed rules if so requested and shall take into account these comments.
5. The Parties shall cooperate where there is a notification of non-compliance of imported consignments for products subject to SPS measures or food standard requirements, drawing on the guidelines of relevant international organizations where available. In particular, where such non-compliance arises, the importing Party shall notify the exporting Party of the consignment details. Unless specifically required by its laws, regulations or policies, the importing Party shall avoid suspending trade based on one shipment, but in the first instance shall contact the exporting Party to ascertain how the problem has occurred. The Parties shall consult on what remedial action might be taken by the exporting Party to ensure that further shipments are not affected.

### **ARTICLE 11**

#### **Competent Authorities and Contact Points**

1. Recognising the importance of close and effective working relationships between the Parties in giving effect to the objectives of this Annex, the Parties shall promote communication to enhance present and future relationships between their competent authorities.
2. The competent authorities for matters within the scope of this Annex are:
  - (a) in the case of Peru, the Animal and Plant Health Service (SENASA), Ministry of Health and Ministry of Production; and
  - (b) in the case of Thailand, the Ministry of Agriculture and Cooperatives.
3. The competent authorities shall designate contact points for communication on all matters arising under this Annex. Each Party shall promptly notify the other Party of any changes to the competent authorities or contact points. As at the date of entry into force of the Protocol, the contact point for Thailand shall be the National Bureau of Agricultural Commodity and Food Standards (ACFS); and for Peru, the contact point shall be the Animal and Plant Health Service (SENASA).

### **ANNEX 3**

#### **ARTICLE 12 Joint Committee**

The Parties shall establish a Joint Committee consisting of representatives of the Parties which will meet within one year of the entry into force of the Protocol and at least annually thereafter or as mutually agreed by the Parties. The Joint Committee shall consider any matters relating to the implementation of this Annex, and:

- (a) establish technical working groups, as required. The technical working groups may consist of expert-level representatives of the Parties as agreed, which shall identify, address, and attempt to resolve technical and scientific issues arising from this Annex. In case these issues could not be resolved at the level of the established technical working group, they will be reported to the Joint Committee in order to reach a mutually acceptable resolution with the least disruption to trade;
- (b) initiate, develop and review implementing arrangements on technical matters including harmonization, equivalence, control, inspection and approval procedures which further elaborate the provisions of this Annex in order to facilitate trade between the Parties particularly in agricultural and food products;
- (c) review and assess progress of each Party's priority market access interests, and, where agreed as necessary, amend implementing arrangements; and
- (d) strengthen technical cooperation in SPS measures.

#### **ARTICLE 13 Technical Cooperation**

The Parties agree to develop and promote technical cooperation among them, as well as to foster their service through competent international or regional organizations, relating to SPS-related matters.

#### **ARTICLE 14 Consultations and Dispute Settlement**

1. In the event that a Party considers that an SPS measure or food standard affecting trade between it and the other Party requires

### ANNEX 3

technical consultations, it may, through the contact point, request that technical consultations be held. The other Party shall respond promptly to any request for technical consultations.

2. The technical consultations shall be held within forty five (45) days of the request, unless the Parties determine otherwise, and may be conducted via teleconference, video-conference, or through any other means, as mutually determined by the Parties.
3. The purpose of such technical consultations is to share information and increase mutual understanding, with a view to resolving any concerns about the specific SPS measure or food standard that is the subject of the consultations, consistent with the rights and obligations of the Parties under the SPS Agreement.
4. Matters arising under this Annex that cannot be settled through consultations may be forwarded by the complaining Party to the dispute settlement mechanisms under Annex 7 of this Protocol.

## **ANNEX 4**

### **TECHNICAL BARRIERS TO TRADE**

#### **ARTICLE 1**

##### **Objectives**

The objectives of this Annex are to increase and facilitate trade between the Parties through collaborative efforts which shall ensure that the standards, technical regulations, conformity assessment procedures and metrology do not create unnecessary obstacles to trade, as well as to increase cooperation and technical assistance.

#### **ARTICLE 2**

##### **General Provisions**

The Parties affirm and incorporate in this Annex the rights and obligations existing between them according to the WTO Agreement on Technical Barriers to Trade (hereinafter referred to as the “TBT Agreement”).

#### **ARTICLE 3**

##### **Scope and Obligations**

1. This Annex is applicable to all standards, technical regulations, conformity assessment procedures and metrology that may affect, directly or indirectly, trade in goods between the Parties.
2. Nothing in this Annex shall prevent a Party from adopting or maintaining standards, technical regulations, conformity assessment procedures and metrology, in accordance with its international rights and obligations, and conditions set out in the TBT Agreement.
3. The provisions in this Annex are not applicable to sanitary and phytosanitary measures.

#### **ARTICLE 4**

##### **Definitions**

For the purposes of this Annex, the following terms and definitions shall apply:

## **ANNEX 4**

1. Terms and their Definitions of Annex 1 of the TBT Agreement;
2. All general terms concerning standards and conformity assessment contained in,
  - (a) the ISO/IEC Guide 2 (1996),
  - (b) the International Vocabulary of Basic and General Terms in Metrology (VIM), and
  - (c) the ISO/IEC 17000 and the ISO/IEC 17050.

### **ARTICLE 5 Trade Facilitation**

1. The Parties agree to strengthen their national systems for standardization, technical regulations, conformity assessment and metrology, with a view to facilitating the access of goods to their respective markets. The Parties shall seek to identify initiatives that are appropriate for issues or sectors of common interest. Such initiatives may include, among others, cooperation and technical assistance on: regulatory issues; alignment or equivalence of regulations and standards; compliance with international standards; promotion of reliance on a supplier's declaration of conformity; the use of accreditation to qualify conformity assessment bodies; and cooperation through mutual recognition agreements.
2. The Parties may start negotiations for the conclusion of mutual recognition agreements among the competent agencies in the areas of technical regulations and conformity assessment following the principles of the TBT Agreement.
3. The terms of the mutual recognition agreements to be signed in the regulatory area will be defined in each case by the competent authorities of the Parties.
4. The Parties shall promote mutual acceptance of the results of conformity assessment with respect to technical regulations conducted by bodies located in the territory of the other Party.
5. The Parties may establish ad hoc working groups, as necessary, for the treatment of any issue or sector of mutual interest related to this Annex.

## **ANNEX 4**

### **ARTICLE 6**

#### **Conformity Assessment Procedures**

1. The Parties shall ensure, whenever possible, that results of conformity assessment procedures in the other Party are accepted, even when those procedures differ from their own, provided they are satisfied that those procedures offer an assurance of conformity with applicable technical regulations or standards equivalent to their own procedures.
2. The Parties are encouraged to permit participation of conformity assessment bodies located in the territory of the other Party in their conformity assessment procedures under conditions no less favourable than those accorded to bodies located within their territory.

### **ARTICLE 7**

#### **Transparency**

1. Each Party shall transmit electronically to the other Party, through the enquiry points each Party has established under the TBT Agreement, the notifications that the Party carries out in relation to technical regulations or conformity assessment procedures in accordance with the TBT Agreement, at the same time as the Party notifies WTO Members.
2. Each Party shall, on the request of the other Party, provide in the English language the technical regulation adopted or being proposed for adoption by the Party.

### **ARTICLE 8**

#### **Technical Consultations**

1. If a Party determines that there are reasons to believe that a technical regulation or a conformity assessment procedure of the other Party is an unnecessary technical barrier to trade, the former Party may request technical consultation by submitting a written request to the other Party. The Party receiving the consultation request shall reply within sixty (60) days.

## **ANNEX 4**

2. Notwithstanding paragraph 1, any Party may directly resort to the dispute settlement mechanisms provided in Annex 7 of this Protocol.

### **ARTICLE 9**

#### **Technical Cooperation and Contact Point**

1. Upon the request of a Party, the other shall provide technical assistance and cooperation, to the extent possible, in order to:
  - (a) encourage the implementation of this Annex;
  - (b) encourage the implementation of the TBT Agreement;
  - (c) strengthen the corresponding organizations of standardization, technical regulations, conformity assessment and metrology, and information and notification systems within the scope of the TBT Agreement;
  - (d) strengthen the technical competence among the above mentioned organizations, mainly intending to facilitate the negotiations and conclusions of mutual recognition agreements of common interest to the Parties;
  - (e) increase the participation in international organizations working in standardization and conformity assessment;
  - (f) provide support in the application of international standards, as appropriate;
  - (g) provide, where possible, human resource training required for the implementation of this Annex;
  - (h) facilitate, where possible, the acceptance of equivalence of standards, and technical regulations, on a case-by-case basis;
2. Each Party shall establish a contact point to coordinate activities relating to the implementation and administration of this Annex.

### **ARTICLE 10**

#### **Exchange of Information**

Any information or explanation requested by a Party pursuant to the provisions of this Annex shall be provided by the other Party, in print or electronically, within a reasonable time, and if possible within thirty (30) days.

## **ANNEX 5**

### **CUSTOMS PROCEDURES**

#### **ARTICLE 1**

##### **Purpose and Definitions**

1. The purpose of this Annex is to promote the objectives of this Protocol by simplifying customs procedures and to ensure their proper application in relation to bilateral trade between the Parties.
2. For the purposes of this Annex, “customs procedures” means the treatment applied by the customs administration of each Party to goods subject to customs control.

#### **ARTICLE 2**

##### **Scope**

This Annex shall be applied in accordance with laws, regulations and policies governing the customs procedures required for clearance of goods traded between the two Parties.

#### **ARTICLE 3**

##### **Customs Valuation**

The Parties shall determine the customs value of goods traded between them in accordance with the provisions of Article VII of the General Agreement on Tariffs and Trade (hereinafter referred to as “GATT”) 1994 and the WTO Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade 1994 (hereinafter referred to as the “WTO Customs Valuation Agreement”).

#### **ARTICLE 4**

##### **Customs Procedures and Facilitation**

1. Customs procedures of both Parties shall be consistent, where possible and to the extent permitted by their respective laws, regulations and policies, to international standards and recommended practices.

## **ANNEX 5**

2. Each Party shall ensure that its customs procedures and practices are foreseeable, consistent, transparent, and facilitate trade.

### **ARTICLE 5 Cooperation**

1. In accordance with their respective laws, regulations and policies, the customs administrations of both Parties shall provide each other mutual assistance to prevent significant differences in customs legislation as well as to protect the economical, fiscal, social and trade interests of each country, and ensuring an appropriate and efficient customs collection by their administrations.
2. Each Party shall endeavor to notify the other Party of any significant changes to its regulations or domestic policies related to imports that may significantly affect this Protocol.
3. Both Parties shall cooperate to achieve a fluent exchange of information in order to have the information sent by the carrier or the exporter to the customs administration of the importing Party, before the departure of the transportation means carrying the goods, in accordance with its laws and regulations. Likewise, both Parties shall seek to expedite the trade operations between them.

### **ARTICLE 6 Fight Against Unlawful Activities**

1. Where a Party has reasonable suspicion of unlawful activity related to its laws and regulations governing importation, it may request the other Party in writing for information.
2. Where a Party providing information to the other Party designates the information as confidential, the other Party shall maintain the confidentiality of the information. The Party providing the information may, in accordance with its national legislation, require a written assurance by the other Party that the information will be held in confidence, will be used only for the purposes specified in the other Party's request for information, and will not be disclosed without the Party's specific permission.

## **ANNEX 5**

3. A Party may decline to provide information requested by the other Party where the latter has failed to act in conformity with paragraph 2.
4. Nothing in this Annex shall be taken to require a Party to furnish or allow access to, or permit the disclosure of information which:
  - (a) is contrary to the public interest as determined by its laws, rules or regulations; or
  - (b) is contrary to its laws, rules or regulations that protect personal privacy or the financial affairs and accounts of individual customers of financial institutions.
  - (c) result in the decline in the efficiency of law enforcement or failure to achieve its objectives

### **ARTICLE 7 Review and Appeal**

1. Each Party shall ensure administrative and judicial review for the decisions and rulings issued by the customs administration.
2. The request for the review of the decisions and rulings issued by the customs administration of each Party must be made in writing and shall have all the necessary information required to make a decision on the request.

### **ARTICLE 8 Paperless Trading and Use of Automated Systems**

1. The customs administrations of both Parties, when implementing measures for reduced paperwork, shall take into consideration the methods agreed in Asia-Pacific Economic Cooperation (APEC) and the World Customs Organization (WCO).
2. The customs administrations of each Party shall work together in order to have customs reports in electronic media as soon as possible.
3. The introduction of information technology shall, to the greatest extent possible, be carried out in consultation with all relevant parties directly affected.

## **ANNEX 5**

### **ARTICLE 9 Risk Management**

1. The Parties shall administer customs procedures to facilitate the clearance of low-risk goods and focus on high-risk goods.
2. The Parties shall apply and develop further risk management techniques in the performance of their customs procedures.

### **ARTICLE 10 Publication and Discussion**

1. Each Party shall publish through the Internet or on an interconnected telecommunications base or in printed copy the regulations and administrative procedures applicable by its customs administration.
2. Each Party shall designate one or more enquiry points to address enquiries from interested persons of the other Party concerning customs matters and shall make available on the Internet information related to the procedures for making such enquiries.

### **ARTICLE 11 Sanctions**

Each Party shall adopt or keep measures that allow it to impose civil, administrative and criminal sanctions in case of any violation to its customs laws and regulations, including those governing tariff classification, customs valuation, rules of origin and the requirements to guarantee a preferential tariff treatment under this Protocol.

### **Article 12 Express Consignment**

Each Party shall adopt or maintain separate and expedited customs procedures for express consignment while maintaining appropriate customs control and selection, in accordance to its laws and regulations. These procedures shall:

## **ANNEX 5**

- (a) provide for the submission and processing of information necessary for the release of an express consignment before the express consignment arrives;
- (b) allow submission of a single manifest covering all goods contained in a shipment transported by an express consignment service, through, if possible, by electronic means;
- (c) to the extent possible, provide for clearance of certain goods with a minimum of documentation;
- (d) under normal circumstances, provide for clearance of express consignment within twelve hours after submission of all the necessary customs documents, provided the shipment has arrived.

## **ANNEX 6**

### **TRANSPARENT ADMINISTRATION OF LAWS AND REGULATIONS**

#### **ARTICLE 1 Definition**

For the purposes of this Annex, “administrative ruling of general application” means an administrative ruling or interpretation that applies to all persons and fact situations that fall within its ambit and that establishes a norm of conduct, but does not include:

- (a) a determination or ruling made in an administrative or quasi-judicial proceeding that applies to a particular person or good of the other Party in a specific case; or
- (b) a ruling that adjudicates with respect to a particular act or practice.

#### **ARTICLE 2 Publication**

1. Each Party shall ensure that its laws, regulations, and administrative rulings of general application pertaining to trade in goods are promptly published or otherwise made available in such a manner as to enable interested persons of the other Party to become acquainted with them.
2. Each Party shall maintain an official journal or journals and publish any measures referred to in paragraph 1 in such journals. Each Party shall publish such journals regularly and make copies of them readily available to the public.
3. A Party may comply with paragraphs 1 and 2 by publication on the internet.
4. When possible, a Party shall publish in advance any measure referred to in paragraph 1 that it proposes to adopt and shall provide, where applicable, to the interested persons a reasonable opportunity to comment on such proposed measures.
5. Each Party shall endeavour to promptly provide information and to respond to questions from the other Party pertaining to any measure referred to in paragraph 1.

## **ANNEX 6**

### **ARTICLE 3 Contact Point**

1. Each Party shall designate a contact point to facilitate communications between the Parties on any matter covered by this Protocol and its Annexes.
2. Upon request, the contact point shall identify the office responsible for the matter and assist, as necessary, in facilitating communication with the requesting Party.

### **ARTICLE 4 Administrative Proceedings**

Each Party shall ensure in its administrative proceedings applied to any measure referred to in Article 2 that:

- (a) wherever possible, persons of the other Party who are directly affected by a proceeding are provided reasonable notice, in accordance with domestic procedures, when a proceeding is initiated, including a description of the nature of the proceeding, a statement of the legal authority under which the proceeding is initiated and a general description of the issues in question;
- (b) such persons are afforded a reasonable opportunity to present facts and arguments in support of their positions before any final administrative action, when time, the nature of the proceeding and the public interest permit; and
- (c) its procedures are in accordance with domestic law.

### **ARTICLE 5 Review and Appeal**

A Party shall ensure that, where warranted, appropriate domestic procedures are in place to enable prompt review and correction of final administrative actions, other than those taken for prudential reasons, regarding matters covered by this Annex, that:

## **ANNEX 6**

- (a) provide for tribunals or panels that are impartial and independent of any office or authority entrusted with administrative enforcement and have no substantial interest in the outcome of the matter;
- (b) provide parties to any proceeding with a reasonable opportunity to present their respective positions;
- (c) provide parties to any proceeding with a decision based on the evidence and submissions of record, or, where required by domestic law, the record compiled by the administrative authority; and
- (d) ensure, subject to appeal or further review under domestic law, that such decisions are implemented by, and govern the practice of, the offices or authorities regarding the administrative action at issue.

## **ANNEX 7**

### **CONSULTATIONS AND DISPUTE SETTLEMENT**

#### **ARTICLE 1**

##### **Scope**

1. This Annex shall apply to the avoidance and settlement of disputes between the Parties concerning the interpretation, implementation or application of this Protocol and its Annexes.
2. Notwithstanding paragraph 1, any dispute arising from this Protocol and its Annexes and the Marrakesh Agreement Establishing the World Trade Organization (hereinafter referred to as the “WTO Agreement”) may be settled in one forum or the other, at the discretion of the complaining Party.
3. Once a dispute settlement procedure has been initiated between the Parties with respect to a particular dispute under this Protocol and its Annexes or under the WTO Agreement, the forum selected shall be used to the exclusion of the other.
4. For the purposes of this Article, a dispute settlement procedure under the WTO Agreement shall be regarded as initiated by a Party’s request for a panel under Article 6 of the Understanding on Rules and Procedures Governing the Settlement of Disputes.
5. The procedure for dispute settlement shall be deemed to have been initiated pursuant to this Protocol and its Annexes upon request for the participation of the Joint Commission as provided under Article 4 of this Annex.

#### **ARTICLE 2**

##### **Consultations**

1. A Party shall accord adequate opportunity for consultations requested by the other Party with respect to any matter related the interpretation, implementation or application of this Protocol and its Annexes.
2. If a request for consultations is made, the Party to which the request is made shall reply to the request within seven (7) days of the date of its receipt and shall enter into consultations within twenty (20) days of

## **ANNEX 7**

the date of receipt of the request, with a view to reaching a mutually satisfactory solution.

3. The Parties shall make every effort to reach a mutually satisfactory resolution through consultations of any matter raised in accordance with this Article.

### **ARTICLE 3**

#### **Good Offices, Conciliation and Mediation**

1. The Parties may at any time agree to good offices, conciliation or mediation. They may begin at any time and be terminated at any time.
2. Good offices, conciliation or mediation may continue while procedures of an arbitral tribunal established in accordance with this Annex are in progress.

### **ARTICLE 4**

#### **Participation of the Joint Commission**

1. If, within the term indicated in Article 2, no solution is mutually reached, or if the dispute is only settled partially, any of the Parties may request in writing that the Joint Commission established under Article 10 of this Protocol (hereinafter referred to as the "Commission") hold a meeting to discuss this issue.

The request must contain any factual and legal matter related to the dispute and indicate the provisions of the Protocol and its Annexes allegedly violated.

2. The Commission shall hold a meeting within fifteen (15) days from the date of receipt by the Party of the request referred to in paragraph 1 of this Article.
3. The Commission shall consider the dispute and shall give the Parties the opportunity to present their arguments, and, if necessary, to contribute with additional information, in order to reach a mutual settlement.

The Commission shall make the recommendations that it may deem

## **ANNEX 7**

appropriate within fifteen (15) days, as from the date of its first meeting.

### **ARTICLE 5**

#### **Request to Establish an Arbitral Tribunal**

1. If any Party, or both, decides not to adopt the recommendations made by the Joint Commission, the Party which made the request for consultations may make a written request to the other Party to establish an arbitral tribunal.
2. The request to establish an arbitral tribunal shall identify:
  - (a) the specific measures at issue;
  - (b) the legal basis of the complaint including the provisions of this Protocol alleged to have been breached and any other relevant provisions; and
  - (c) the factual basis for the complaint.

### **ARTICLE 6**

#### **Establishment of an Arbitral Tribunal**

1. An arbitral tribunal shall consist of three members. Each Party shall appoint a member within thirty (30) days after the date of receipt of the request under Article 4. The two members appointed shall, within thirty (30) days of the appointment of the second of them, designate by common agreement the third member.
2. The Parties shall, within seven (7) days of the designation of the third member, approve or disapprove the appointment of that member, who shall, if approved, chair the tribunal.
3. If the third member has not been designated within thirty (30) days of the appointment of the second member, or if one or both of the Parties disapproves the appointment of the third member, the Parties shall consult each other in order to jointly appoint within a further period of thirty (30) days the chair of the arbitral tribunal.
4. The arbitral tribunal shall be regarded as established on the day on which the appointment of the third member of the tribunal has been

## **ANNEX 7**

approved or agreed by the Parties in accordance with this Article.

5. If a member appointed under this Article resigns or becomes unable to act, a successor member shall be appointed in the same manner as prescribed for the appointment of the member being replaced and the successor shall have all the powers and duties of the member being replaced.
6. A person appointed as a member of the arbitral tribunal shall:
  - (a) have expertise or experience in law, international trade, other matters covered by this Protocol and its Annexes or the settlement of disputes arising under international trade agreements;
  - (b) be chosen strictly on the basis of objectivity, reliability, sound judgement and independence; and
  - (c) be independent of, and not be affiliated with or take instructions from, either Party.
7. A person appointed as chair of the arbitral tribunal shall not be a national of, nor have his or her usual place of residence in the territory of, nor be employed by, either Party nor have dealt with the dispute in any capacity.

## **ARTICLE 7**

### **Functions of Arbitral Tribunals**

1. An arbitral tribunal established under Article 6:
  - (a) shall consult the Parties as appropriate and provide adequate opportunities for the development of a mutually satisfactory settlement of the dispute;
  - (b) shall make its award in accordance with this Protocol and its Annexes and applicable rules of international law;
  - (c) shall set out, in its award, its findings of law and fact, together with its reasons; and
  - (d) may, in addition to its findings of law and fact, include in its award options for the Parties to consider in implementing the award.
2. The award of the arbitral tribunal shall be final and binding on the Parties.

## **ANNEX 7**

3. The arbitral tribunal shall attempt to make its decision, including its award, by consensus but may also make such decisions by majority vote.

### **ARTICLE 8** **Proceedings of Arbitral Tribunals**

1. An arbitral tribunal shall meet in closed session. The Parties shall be present at the meetings only when invited by the arbitral tribunal to appear before it.
2. The deliberations of the arbitral tribunal and the documents submitted to it shall be kept confidential. Nothing in this Article shall preclude a Party from disclosing to the public statements of its own positions or its submissions, but a Party shall not disclose information submitted by the other Party to the arbitral tribunal which the latter Party has designated as confidential.
3. The Parties shall transmit to the tribunal written submissions in which they present the facts of their cases and their arguments and shall do so within the following time limits:
  - (a) for the Party which requested the establishment of the arbitral tribunal, within thirty (30) days of the establishment of that tribunal; and
  - (b) for the other Party, within thirty (30) days of the transmission of the written submission of the Party which requested the establishment of the arbitral tribunal.
4. The proceedings shall guarantee the rights of the Parties to be heard in at least one hearing before the arbitral tribunal, as well as the opportunity to present their allegations and rebuttals or answers in writing.
5. The arbitral tribunal may at any time put questions to the Parties and ask them for explanations either in the course of a meeting or in writing.
6. The Parties shall make available to the arbitral tribunal a written version of their oral statements.

## **ANNEX 7**

7. The submissions, rebuttals and statements referred to in paragraphs 4 to 6 shall be made in the presence of the Parties. Each Party's written submissions, including any comments on the draft award made in accordance with paragraph 2 of Article 10, written versions of oral statements and responses to questions put by the arbitral tribunal shall be made available to the other Party.
8. The arbitral tribunal shall have no *ex parte* communications concerning a dispute it is considering.
9. At the request of a Party, or on its own initiative, the arbitral tribunal may seek information and technical advice from any person or body that it deems appropriate, provided that the Parties so agree and subject to such terms and conditions as the Parties may set. This paragraph does not apply to information and technical advice provided by any person or body as part of the submissions referred to in paragraphs 4 to 5.
10. The arbitral tribunal shall, in consultation with the Parties, regulate its own procedures governing the rights of Parties to be heard and its own deliberations where such procedures are not otherwise set out in this Annex.

## **ARTICLE 9**

### **Suspension or Termination of Proceedings**

1. Where the Parties agree, an arbitral tribunal may suspend its work at any time for a period not exceeding twelve (12) months. If the work of the arbitral tribunal has been suspended for more than twelve (12) months, the tribunal's authority for considering the dispute shall lapse unless the Parties agree otherwise.
2. The Parties may agree at any time to terminate the proceedings of the arbitral tribunal established under this Annex by jointly notifying the chair of that arbitral tribunal.
3. The arbitral tribunal may, at any stage of the proceedings prior to release of its final award, propose that the Parties seek to settle the dispute amicably.

## **ANNEX 7**

### **ARTICLE 10 Awards of Arbitral Tribunals**

1. Unless the Parties otherwise agree, an arbitral tribunal shall base its award on the submissions and arguments of the Parties and on any information it has obtained in accordance with paragraph 9 of Article 8.
2. The arbitral tribunal shall prepare a draft award and accord adequate opportunity for the Parties to review this draft. The Parties may submit to the tribunal written comments on the draft award within fourteen (14) days of its receipt. The tribunal shall consider any comments received from the Parties in finalising its award.
3. The arbitral tribunal shall release to the Parties its final award on a dispute within one hundred and twenty (120) days of its establishment. If the tribunal considers it cannot release its final award within the aforesaid period, it shall inform the Parties in writing of the reasons for the delay, together with an estimate of the period within which it will issue its award.
4. The final award of an arbitral tribunal shall become a public document within ten (10) days of its release to the Parties.

### **ARTICLE 11 Implementation**

1. The Parties shall promptly comply with the final award of an arbitral tribunal.
2. A Party shall notify the other Party in writing of any action it proposes to take to implement the award of the arbitral tribunal within thirty (30) days of the date of receipt of the final award by the Parties.
3. If a Party considers that prompt compliance with the award of the arbitral tribunal is impracticable, or if a Party which requested the establishment of the arbitral tribunal considers that an action proposed or subsequently taken by the other Party does not implement the award of the tribunal, the Parties shall immediately enter into consultations with a view to developing a mutually acceptable resolution, such as compensation or any alternative arrangement and to agreeing on a

## **ANNEX 7**

reasonable period of time to implement any such resolution. Compensation and any alternative arrangement are only temporary measures, neither of which is preferred to full implementation of the final award.

### **ARTICLE 12**

#### **Compensation and Suspension of Benefits**

1. If:
  - (a) the Party which requested the establishment of an arbitral tribunal has not received any notice from the other Party under paragraph 2 of Article 11; or
  - (b) the Parties are unable to agree on a mutually acceptable resolution under paragraph 3 of Article 11 within thirty (30) days of the commencement of consultations under such paragraph; or
  - (c) the Parties have agreed on a mutually acceptable resolution under paragraph 3 of Article 11 and the Party which requested the establishment of the arbitral tribunal considers that the other Party has failed to observe the terms of such agreement,

the Party which requested the establishment of the arbitral tribunal may at any time thereafter provide a written notice to the other Party that it intends to suspend the application of benefits of equivalent effect to the non-conformity found by the tribunal. The notice shall specify the level of benefits that the Party proposes to suspend. The Party which requested the establishment of the arbitral tribunal may begin suspending benefits thirty (30) days after the date on which it provides notice to the other Party.

2. In considering what benefits to suspend under this Article:
  - (a) the Party which requested the establishment of an arbitral tribunal shall first seek to suspend the application of benefits in the same sector or sectors as affected by the matter that the tribunal has found to be inconsistent with this Protocol and its Annexes;
  - (b) the Party which requested the establishment of the arbitral tribunal may suspend the application of benefits in other sectors if it considers that it is not practicable or effective to suspend the application of benefits in the same sector; and
  - (c) the Party which requested the establishment of the arbitral tribunal shall aim to ensure that the level of suspension of

## **ANNEX 7**

benefits is of equivalent effect to the non-conformity found by the tribunal.

Any suspension of benefits under this Article shall be temporary and shall only be applied until such time as the Party that must implement the arbitral tribunal's award has done so, or until a mutually satisfactory solution is reached.

3. If the other Party considers that:

- (a) the level of benefits that the Party which requested the establishment of the arbitral tribunal has proposed to suspend under paragraph 2 is excessive; or
- (b) it has eliminated the non-conformity found by the tribunal,

it may, within thirty (30) days after the Party which requested the establishment of the arbitral tribunal provides notice under paragraph 1, request that the tribunal be reconvened to consider this matter. The other Party shall deliver its request in writing to the Party which requested the establishment of the arbitral tribunal. The tribunal shall reconvene within thirty (30) days after the date of receipt of the request by the Party which requested the establishment of the arbitral tribunal and shall present its determination to the Parties within ninety (90) days after it reconvenes. If the tribunal determines that the level of benefits proposed to be or actually suspended is excessive, it shall determine the level of benefits it considers to be of equivalent effect to the non-conformity found, with an adjustment to reflect any loss sustained by a Party as a result of excessive suspension.

4. The compliance tribunal's award shall be final and binding on the Parties.

## **ARTICLE 13**

### **Expenses**

Each Party shall bear the costs of its appointed member and its own expenses. The costs of the chair of an arbitral tribunal and other expenses associated with the conduct of its proceedings shall be borne in equal parts by the Parties.

**APPENDIX 1**  
**LIST OF GOODS**  
**1.1 Peru's List**

| Subheading | Description                                                                                                                                                    | Base Rate | Basket |
|------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|--------|

| 2511200000 | Natural barium carbonate (witherite)                                                                                                                                                          | 4         | A      |
| 2512000000 | Siliceous fossil meals (for example, kieselguhr, tripolite and diatomite) and similar siliceous earths, whether or not calcined, of an apparent specific gravity of 1 or less                 | 4         | A      |
| 2513110000 | Crude or in irregular pieces, including crushed pumice ("bimskies")                                                                                                                           | 12        | B      |
| 2513190000 | Other                                                                                                                                                                                         | 4         | A      |
| 2513200000 | Emery, natural corundum, natural garnet and other natural abrasives                                                                                                                           | 4         | A      |
| 2514000000 | Slate, whether or not roughly trimmed or merely cut, by sawing or otherwise, into blocks or slabs of a rectangular (including square) shape                                                   | 12        | B      |
| 2515110000 | Crude or roughly trimmed                                                                                                                                                                      | 12        | B      |
| 2515120000 | Merely cut, by sawing or otherwise, into blocks or slabs of a rectangular (including square) shape                                                                                            | 12        | B      |
| 2515200000 | Ecaussine and other calcareous monumental or building stone; alabaster                                                                                                                        | 4         | B      |
| 2516110000 | Crude or roughly trimmed                                                                                                                                                                      | 4         | B      |
| 2516120000 | Merely cut, by sawing or otherwise, into blocks or slabs of a rectangular (including square) shape                                                                                            | 4         | B      |
| 2516210000 | Crude or roughly trimmed                                                                                                                                                                      | 4         | A      |
| 2516220000 | Merely cut, by sawing or otherwise, into blocks or slabs of a rectangular (including square) shape                                                                                            | 4         | A      |
| 2516900000 | Other monumental or building stone                                                                                                                                                            | 4         | B      |
| 2517100000 | Pebbles, gravel, broken or crushed stone, of a kind commonly used for concrete aggregates, for road metalling or for railway or other ballast, shingle and flint, whether or not heat treated | 4         | B      |

| Subheading | Description                                                                                                                                                   | Base Rate | Basket |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|--------|
| 2517200000 | Macadam of slag, dross or similar industrial waste, whether or not incorporating the materials cited in subheading 2517.10                                    | 4         | B      |
| 2517300000 | Tarred macadam                                                                                                                                                | 4         | A      |
| 2517410000 | Of marble                                                                                                                                                     | 4         | B      |
| 2517490000 | Other                                                                                                                                                         | 4         | B      |
| 2518100000 | Dolomite, not calcined or sintered                                                                                                                            | 12        | B      |
| 2518200000 | Calcined or sintered dolomite                                                                                                                                 | 12        | B      |
| 2518300000 | Dolomite ramming mix                                                                                                                                          | 4         | A      |
| 2519100000 | Natural magnesium carbonate (magnesite)                                                                                                                       | 4         | A      |
| 2519901000 | Fused magnesia                                                                                                                                                | 4         | A      |
| 2519902000 | Magnesium oxide, whether or not pure.                                                                                                                         | 4         | A      |
| 2519903000 | Dead-burned (sintered) magnesia, whether or not containing small quantities of other oxides added before sintering                                            | 4         | A      |
| 2520100000 | Gypsum; anhydrite                                                                                                                                             | 12        | B      |
| 2520200000 | Plasters                                                                                                                                                      | 12        | B      |
| 2521000000 | Limestone flux; limestone and other calcareous stone, of a kind used for the manufacture of lime or cement.                                                   | 12        | B      |
| 2522100000 | Quicklime                                                                                                                                                     | 4         | B      |
| 2522200000 | Slaked lime                                                                                                                                                   | 4         | B      |
| 2522300000 | Hydraulic lime                                                                                                                                                | 4         | B      |
| 2523300000 | Aluminous cement                                                                                                                                              | 4         | A      |
| 2524001000 | Fibers                                                                                                                                                        | 4         | A      |
| 2524009000 | Other                                                                                                                                                         | 4         | A      |
| 2525100000 | Crude mica and mica rifted into sheets or splittings                                                                                                          | 12        | B      |
| 2525200000 | Mica powder                                                                                                                                                   | 12        | B      |
| 2525300000 | Mica waste                                                                                                                                                    | 12        | B      |
| 2526100000 | Not crushed, not powdered                                                                                                                                     | 12        | B      |
| 2528100000 | Natural sodium borates and concentrates thereof (whether or not calcined)                                                                                     | 12        | A      |
| 2528900000 | Other                                                                                                                                                         | 12        | A      |
| 2529210000 | Containing by weight 97 % or less of calcium fluoride                                                                                                         | 4         | A      |
| 2529220000 | Containing by weight more than 97 % of calcium fluoride                                                                                                       | 12        | A      |
| 2529300000 | Leucite; nepheline and nepheline syenite                                                                                                                      | 4         | A      |
| 2530100000 | Vermiculite, perlite and chlorites, unexpanded                                                                                                                | 4         | A      |
| 2530200000 | Kieserite, epsomite (natural magnesium sulphates)                                                                                                             | 4         | A      |

| 8412809000 | Other                                                                                                                    | 4         | A      |
| 8412901000 | Of aircraft engines                                                                                                      | 4         | A      |
| 8412909000 | Other                                                                                                                    | 4         | A      |
| 8413110000 | Pumps for dispensing fuel or lubricants, of the type used in filling-stations or in garages                              | 4         | A      |
| 8413190000 | Other                                                                                                                    | 4         | A      |
| 8413200000 | Hand pumps, other than those of subheading 8413.11 or 8413.19                                                            | 4         | A      |
| 8413301000 | For aircraft engines                                                                                                     | 4         | A      |
| 8413302000 | Other, injection pumps                                                                                                   | 4         | A      |
| 8413309100 | Of fuel                                                                                                                  | 4         | A      |
| 8413309200 | Of lubricant                                                                                                             | 4         | A      |
| 8413309900 | Other                                                                                                                    | 4         | A      |
| 8413400000 | Concrete pumps                                                                                                           | 4         | A      |
| 8413600000 | Other rotary positive displacement pumps                                                                                 | 4         | A      |
| 8413820000 | Liquid elevators                                                                                                         | 4         | A      |
| 8413911000 | For delivery or sale of petrol                                                                                           | 4         | A      |
| 8413912000 | For aircraft engines                                                                                                     | 4         | A      |
| 8413913000 | For fuel, lubricants or coolers of other engines                                                                         | 4         | A      |
| 8413920000 | Of liquid elevators                                                                                                      | 12        | A      |
| 8414100000 | Vacuum pumps                                                                                                             | 4         | A      |
| 8414200000 | Hand- or foot-operated air pumps                                                                                         | 4         | A      |
| 8414304000 | For air conditioning machines of the kind used for persons, in motor vehicles                                            | 4         | A      |
| 8414309100 | Hermetical or semi-hermetical, of a power not exceeding 0.37 kW (1/2 HP)                                                 | 4         | A      |
| 8414309200 | Hermetical or semi-hermetical, of a power exceeding 0.37 kW (1/2 HP)                                                     | 4         | A      |
| 8414309900 | Other                                                                                                                    | 4         | A      |
| 8414401000 | Of a power less than 30 kW (40 HP)                                                                                       | 4         | A      |
| 8414409000 | Other                                                                                                                    | 4         | A      |
| 8414510000 | Table, floor, wall, window, ceiling or roof fans, with a self- contained electric motor of an output not exceeding 125 W | 20        | B      |
| 8414590000 | Other                                                                                                                    | 12        | B      |
| 8414801000 | Compressors for motor vehicles                                                                                           | 4         | A      |
| 8414802100 | Of a power not exceeding 30 kW (40 HP)                                                                                   | 4         | A      |
| 8414802200 | Of a power exceeding 30 kW (40 HP) and not exceeding 262.5 kW (352 HP)                                                   | 4         | A      |
| 8414802300 | Of a power exceeding 262.5 kW (352 HP)                                                                                   | 4         | A      |
| 8414809000 | Other                                                                                                                    | 4         | A      |
| 8414901000 | Of compressors                                                                                                           | 4         | A      |
| 8414909000 | Other                                                                                                                    | 4         | A      |
| 8415101000 | Incorporating a refrigerating unit not exceeding 30.000 BTU/hour                                                         | 4         | A      |
| 8415109000 | Other                                                                                                                    | 4         | A      |
| 8415200000 | Of a kind used for persons, in motor vehicles                                                                            | 4         | A      |
| 8415811000 | Incorporating a refrigerating unit not exceeding 30.000 BTU/hour                                                         | 4         | A      |
